Teaching Methods

Sessions will consist of a mixture of presentations by the instructor and interactive workshop-style discussions. The course is designed to be as interactive as possible.

Academic Lectures and Seminars

Outline

Students on the Nihon Postgraduate Programme participate in a series of lectures and seminars to include academic subjects relevant to the city and University of Cambridge.

Teaching is by means of lectures plus tutorial classes (seminars) for the period of the course. The lectures aim to present the material, while the seminars aim to discuss the material presented in the lectures.

Courses

1. Architecture in Cambridge with Dr Will Kynan-Wilson
2. Darwin, Evolution and Biodiversity with Dr Paul Elliot
3. British Cultural History with Mr Richard Swift
